

Pursuing God

Featuring Jerry Bridges & Phil Johnson

April 18 & 19, 2008

9TH ANNUAL **ROCHESTER**
THEOLOGY CONFERENCE
FANNING THE FLAME OF TRUTH

“God is seeking just one kind of person... One who will worship Him in spirit and truth.”

We Welcome You!

There is always a tension between orthodoxy and a passion. To the mechanical purist God whispers, “I will remove your heart of stone and give you a heart of flesh.” To the careless enthusiast, God whispers the words of David, “surely you desire truth in the inner parts.” God is seeking just one kind of person, one who will worship Him in spirit and truth, passion and purity. (John 4)

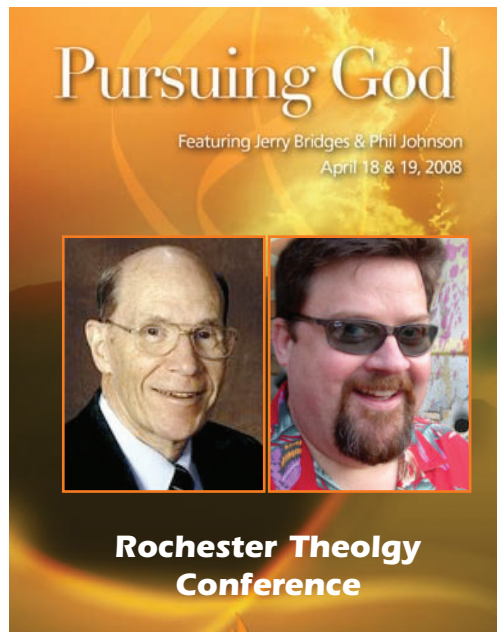

I can think of no two people better qualified to guide us into the heart of God than Jerry Bridges and Phil Johnson. The true worship of God must have both head and heart. Both of these men have distinguished themselves as passionate servants of Jesus Christ, and precise expositors of his glorious gospel.

Of all the seminars we have ever hosted before, I believe this will touch our hearts and our minds as few others have before. I hope to see you there!

In Christ,

Reid
